Occupational Health & Safety Policy

Our Occupational Health and Safety Policy commits us to ensuring, so far as is reasonably practicable, the occupational health, safety, and welfare of staff, visitors and contractors engaged with our business operation.

Our Policy Framework is premised on:

- Maintaining an effective occupational health and safety management system to enable us to:
 - meet our current and future legislative obligation(s)
 - satisfy relevant regulatory demand
 - provide for and manage continuing process improvement
- Operating an effective management structure for implementing the Policy and for integration of the policy with our other adopted management systems of ISO 9001:2015 and ISO 14001:2015
- Facilitating effective communication with regard to the obligations of the business and that of employees in respect of essential aspects of occupational health and safety
