

EVOLUTION WASTE MANAGEMENT

Quality Policy

Our Quality Policy commits us to delivering customer excellence, process improvement and the provision of reliable and credible services.

Collectively and individually we are accountable for the quality of the services we provide We shall...

- Broker skips which fulfil the requirements and expectations of our customers to the highest standards.
- Achieve formal and informal recognition as an organisation with a reputation for providing quality services.
- Ensure that everyone working for the company has an opportunity to contribute to our commitment to quality.
- Secure continuing customer satisfaction by constantly reviewing our performance to support improvement to the services we provide.
- Support individual staff members in reaching their potential in delivering the business needs of EWM and our customers.
- Maintain the highest levels of business integrity recognising our corporate and social responsibilities.
- Adopt the quality hallmarks of ISO 9001:2015, ISO 14001:2015 and OHAS 18001 as the driver for business process, environmental management and occupational health and safety improvement

Craig Currie
